

COMPANY PROFILE

INTRODUCTION

Since its establishment in 1975, Qabil Engineering Works has emerged as an industry trailblazer, pioneering innovation and setting a benchmark for manufacturing excellence in the field of sanitary fittings. Our journey has been marked by a relentless commitment to crafting high-quality products that not only meet but exceed the evolving needs of our customers. Over the years, we have meticulously built a reputation as a trusted and reliable provider of top-notch sanitary solutions.

Our success is deeply rooted in the unwavering trust we have earned from our customers. This trust has been hard-earned through the consistent delivery of products that are synonymous with reliability, durability, and performance. Qabil has become synonymous with quality assurance, becoming a trusted name within the industry in a remarkably short span of time.

At the heart of Qabil's offerings is a diverse and comprehensive range of products designed to cater to a myriad of preferences and spatial requirements. From cutting-edge bathroom solutions to innovative fittings, our product lineup seamlessly combines functionality with luxury. What sets us apart is not just our commitment to providing affordable solutions but our unwavering dedication to infusing each product with a touch of opulence, ensuring the satisfaction of thousands of discerning consumers.

Our team of qualified professionals forms the backbone of our success. Through relentless experimentation and innovation, they push the boundaries of what's possible in the world of sanitary fittings. This commitment to staying at the forefront of design and technology not only keeps us competitive but positions Qabil as a trendsetter in the industry.

In the bustling sanitary market of Pakistan, Qabil stands out as a beacon of excellence. Our unwavering focus on ease of use, continual innovation, and an unyielding dedication to unmatched product quality distinguish us from other brands. As we continue to evolve and meet the dynamic demands of the market, our legacy of customer satisfaction and loyalty remains our driving force.

STRENGTH & CAPABILITIES

The QABIL® development team is well-equipped with both advanced machinery and a skilled workforce, specializing in various aspects of system development.

■ AREAS OF EXPERTISE:

The core strength of QABIL® lies in being manufacturers and pioneers of high-quality products in the market. This unique position allows us to customize or create products tailored to specific situations or needs, ensuring we can meet diverse demands.

As manufacturers, QABIL® goes beyond the standard by offering an extended warranty compared to other brands in the market. Moreover, we provide every individual part of our products if deemed necessary, underlining our commitment to comprehensive customer support.

■ PRODUCT ANALYSIS & DESIGN:

Our analysis and design team seamlessly integrates both functional and technical expertise. We adhere to a philosophy that emphasizes the development of products that are not only easy to use and install but also complement other fittings, ensuring a harmonious integration within the broader system. At QABIL®, our dedication to product excellence extends from conceptualization to execution, prioritizing user-friendliness and compatibility in every design.

CLIENTS AFFILIATION

▪ **Dealers:**

Our extensive dealership network spans across Pakistan, collaborating with top retailers and sanitary fittings showrooms in key cities such as Karachi, Lahore, Islamabad, Hyderabad, Sukkur, Quetta and more. We've strategically covered major urban centers to ensure accessibility and availability.

▪ **Plumbers:**

Qabil has become a household name in the plumbing community, renowned for its products that are not only easy to install but also boast a no-complaint track record. Plumbers appreciate our range for providing solutions to various challenges encountered during the installation of bathroom fittings and accessories.

▪ **Trusted Consumers:**

In the realm of consumer trust, Qabil stands out. We firmly believe that people buy from those they trust. While dealers sell and plumbers install, the true testament to our product quality comes from our end-users. We have cultivated long-lasting relationships with satisfied consumers who not only trust our products but also actively recommend them. Our loyal customer base serves as a testament to the reliability and excellence of Qabil products.
